

YOUR ARRIVAL IN THE CAR-FREE "SAAS-FEE"

Dear holiday guests,

We recommend taking public transport to get to the Saas Valley. The nearest larger train station is in Visp. From there regular post buses take you to car-free Saas-Fee (taking around 50 minutes). During the daytime there are up to two connections an hour. In the evening the last bus departs Visp at 10.40 p.m., on Saturday at 11.40 p.m.

Our tip: Since the opening of the NEAT-Lötschberg Base Tunnel, you can get to us even quicker! Bern – Saas-Fee in less than two hours and Zürich – Saas-Fee in around 3 hours! Hand in your bags at the luggage counter at your home train station and collect it at the post office in Saas-Fee.

Your holiday should start already on departure. Please observe the following guidelines to ensure a pleasant arrival here in Saas-Fee:

ARRIVAL BY POSTBUS

After your arrival in Saas-Fee, please collect your luggage at the counter. There are public telephone booths in front of the bus terminal. The tourist information office is diagonally opposite the bus terminal. You can call an electric taxi for your luggage transport: tel. +41 77 443 73 32, +41 79 220 21 37, +41 27 958 11 35 or +41 27 957 33 44. Alternatively you can hire a handcart at the Saas-Fee tourist information office (deposit payable) to transport your luggage. It is about a 10-minute walk from the car park to the "Alpenfirn".

ARRIVAL BY CAR

Saas-Fee has a big multi-storey car park and an outdoor car park. As the parking fees are the same everywhere, we recommend the sheltered multi-storey car park (on the photo below on the left). After parking there on arrival in Saas-Fee you can enjoy your holiday without a car.

You can unload your luggage at terminals A or B. Each pillar has a specific number, please make a note of it. Then you can park your car on one of the lower decks. There are direct dial telephones by the pillars. Please state your name and the pillar number. The taxi will then take you directly to your holiday apartment at "Alpenfirn" in just a few minutes (costs approx. CHF 25.00).

The costs for the parking please check on www.saas-fee.ch

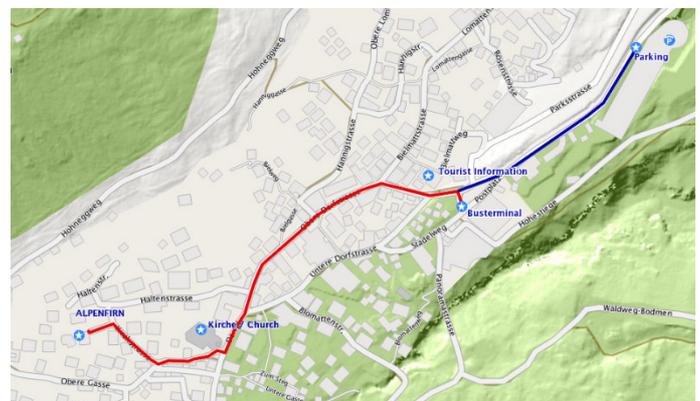

As described above, you can also transport your luggage to the "Alpenfirn" holiday house with the handcarts available at the tourist information.

HOW TO GET TO THE "ALPENFIRN"

From the car park or the bus terminal, you walk past the tourist information office into the village centre. The main street takes you to the village square. Turn right behind the church tower. A little incline takes you to a fork by the cemetery. Keep to the right and after about 150 metres you can see your holiday residence "Alpenfirn" on the left.

On arrival at the house please register on the 3rd floor. Your holiday apartment is indicated and the keys are in the lock.

The family Bumann Michel & Beati wishes you a pleasant journey
